Children's University Canterbury Partnership

Children's University Canterbury Partnership

- Raising aspirations towards higher education
- Kids can't aspire to what they don't know

Children's University Canterbury Partnership

- Children join the programme through their school or rūnaga
- Children choose to sign up and receive a *Passport to Learning*
- They fill up their passport with hours of learning outside the school classroom
- Children's University learning includes Learning Destinations, online activities, Campus Experiences and regular activities such as sport, dance, music and Scouts/Girl Guides.

Children's University Canterbury Partnership

We have over 80 Learning Destinations across Canterbury.

Our members visit the Learning Destinations with their families on the weekends and after school to get stamps.

This connects children and their families to the excellent learning opportunities in their community.

Children's University Canterbury Partnership Campus Experiences

Ensuring our members have a university experience is an important part of the programme.

Children attend Campus Experiences with a parent or caregiver.

Children in the picture explored the world of bugs, fires and the dairy farm at Lincoln University in 2019.

Children's University Canterbury Partnership Campus Experiences

One of the Campus Experience at the University of Canterbury last year explored volcanoes, earthquakes and Antarctica.

Children's University Canterbury Partnership Online Portal

Every member gets an online portal account where they can search for Learning Destinations and access online activities.

This is now a fantastic resource now that schools are closed and children are home.

The screenshot shows the user interface of the online portal. At the top, there is a navigation bar with 'Dashboard', 'CU Online', and 'Learning Destinations' links, along with a search bar and a user profile icon. Below this, a summary bar displays three key metrics: 'Activities Completed' (1), 'Total Time' (60 minutes), and 'Learning Destinations Visited' (5). The main content area is divided into two sections: 'My Activities' and 'My Learning Destinations'. 'My Activities' includes two cards: 'Cliffords Honey Farm Activity Sheet' (marked as 'Completed' with a 60 mins timer) and 'Holiday Review' (marked as 'In Review' with a 600 mins timer). 'My Learning Destinations' features three thumbnail images representing different learning experiences: a child on a swing, a market stall, and a child performing a dance.

Children's University Canterbury Partnership Graduation

Children' celebrate their achievements at a graduation ceremony at the end of the year.

They dress in caps and gowns, and receive a certificate on stage at the Christchurch Town Hall in front of the peers and families.
